

SUNVOICE ELECTRONICS

PRIVATE LIMITED

COMPANY PROFILE

We, at Sunvoice Electronics are the leading manufacturers of LED/LCD TV Multimedia & Car Speaker in India, The company was established in the year 1984 with technical guidance from M/s IKSUWA SHOJI KAISHA INC JAPAN with a market share of over 75% with a clientele base including Samsung, Panasonic Philips , Reliance, Croma, Xiaomi, Haier, zebronics Akai, Toshiba, Acer, Ahuja & Boat. We manufacture 30 million speakers annually. With a strong commitment to innovation, quality & Reliability. We have established ourselves as trusted brand in the consumer electronics Industry.

We have an in-house R&D team & quality Team and a strong backward integration where we manufacture our metal parts & Voice coil. This ensures consistent quality, efficiency and the ability to meet high-volume requirements. Hence, We are also able to customise LED speakers on our own and as per customers requirement with maximum sound and zero distortion.

The manufacturing units are certified for ISO 9001-2015 and ISO 14001-2015.

The company manufactures its own metal parts and voice coils.

The company was promoted by MR. PREM GUPTA,
who is the Managing Director of the company.

The Company has recently diversified into Plastic Moulded
Parts by the name of "Sunplast Electronics Pvt. Ltd.

" which was initiated by Mr. PUSHKAR GUPTA, who is the Director
of the company.

WHY CHOOSE US?

NATIONWIDE PRESENCE

We have a well-established presence all over the country. Our products are used by the leading sound rental companies as well as other reputed Brands.

MISSION

To be the best-in-class provider of superior quality professional audio products with profitable growth through innovation, new product development, continuous improvement and to provide our customers with unparalleled experience and inspire creativity.

LATEST AUDIO TECHNOLOGY

Our professionally trained R & D team includes technical experts & engineers who are committed to a vision of creating new possibilities in the field of acoustic technology

WIDE RANGE OF PRODUCTS

Sunvoice offers one of the widest range of audio products. Each of our audio products is developed with the right mix of elegant design, features and robust material to satisfy different market segments.

OUR Vision

Our Business Solutions have been around since 1984, a respected leader in the industry. Our proudest accomplishment is the large number of long term clients who year after year put their trust in us.

To be a company providing complete speaker solutions to its customers, including cabinet design for optimum acoustic performance. As a result, it will always maintain a strong R&D center with qualified engineers as well as have the latest facilities for testing and development.

To have customer service, product quality and product pricing as one of its core values. For this purpose it will continuously upgrade its process and technology. To always maintain a positive attitude towards its customers and its employees. We want you to be completely satisfied with our services. We will do whatever it takes to make you happy. No hassles, no problems.

Celebrating 41+ Years of Excellence.

OUR SUCCESS KEY

- a. Highly qualified, young & dynamic staff
- b. Company structure ensuring prompt response to market trends
- c. Clearly traced out action plans
- d. Fast response to customer enquiries
- e. Shorter Development Cycle for new product to meet customer requirements.
- f. Can be Cost Effective source because of Economies of Scale & Efficient Manufacturing Practices.
- g. Customer focused project teams.
- h. Capacity to Invest as per Customer Need

QUALITY POLICY

SUNVOICE ELECTRONICS PVT. LTD. is dedicated to providing total customer satisfaction by efficient developments & continual improvements of processes, products through quality management system as per ISO 9001-2015.

We at SUNVOICE Believe in QCD (Quality, Cost and Delivery). We are committed towards: - Enhancing customer satisfaction by setting up quality targets.

- **Upgrading technologies through research to improve product quality.**
- **Improving productivity & reducing product cost.**
- **Providing JIT (Just in Time) deliveries to all our customers.**
- **Assures Compliance with All Requirements and continually improve by taking actions on risks and opportunities.**
